MUSEUM OF WESTERN ART RECEIVES GRANT FROM COMMUNITY FOUNDATION

The Museum of Western Art has received a grant from The Community Foundation of the Texas Hill Country. The grant will go toward children's educational programs.

Each year, the Museum hosts numerous educational programs for area youth. These include Second Saturday Craft Days, Western Art Camp in the summer, and field trips throughout the school year.

Stephanie Turnham, executive director for the Museum, added, "We appreciate the support of The Community Foundation to help the museum better serve our area schoolchildren."

For more information about The Museum of Western Art, please visit the museum's website at www.museumofwesternart.com, or call 896.2553.
