AMERICAN PLAINS ARTISTS SIGNATURE SHOW TO BE IN KERRVILLE, TEXAS

The American Plains Artists (APA) Signature Show will be hosted by the Museum of Western Art, May 4- June 29, 2019, with the Opening Reception on Saturday, May 4th, 2-4 PM at the Museum of Western Art, 1550 Bandera Hwy, Kerrville, TX. The public is invited to attend this celebration of "Art of the Plains" featuring realistic and representational artworks in traditional media that depict the American Great Plains region--its landscape, wildlife, people, and way of life in historical or modern times. Artwork in the show will be rendered by nationally recognized, award-winning artists who hail from across the U.S.A. The approximately 50 artworks exhibited and for sale at this event will be created by the APA Signature members who earned the right to Signature status and were elected to that status due in part to the continual high quality of their artwork. For more information about the APA and the Museum of Western Art please go to www.americanplainsartists.com and www.museumofwesternart.com.
